

Information on the Web Policy

Teseo S.p.A.'s website www.teseospa.it makes use of cookies, text files which are recorded on the user's terminal or which allow access to information on the user's terminal. Cookies allow us to store information on visitor preferences, they are used in order to verify the correct functioning of the website and to improve its functionality by customizing the content of the pages according to the type of browser used, or to simplify navigation by automating the procedures (e.g. Login, site language).

Cookie

The www.teseospa.it website uses only Technical Cookies: they are used for the sole purpose of carrying out the transmission of an electronic communication, and to ensure the correct display and navigation of the website. In addition, they allow us to distinguish between the various connected users in order to provide a service requested to the right user (Login), and for site security reasons. Some of these cookies are deleted when the browser is closed ("session cookies").

The use of technical cookies does not require the user's consent.

Among these technical cookies, we use some essential cookies, also called "strictly necessary", which enable functions, without which it would not be possible to fully use the website. These cookies are used exclusively by the Owner and are saved on the user's computer only during the current browser session. Essential cookies cannot be disabled using the site's functions.

Social Network Plugin

The www.teseospa.it site also incorporates plugins and / or buttons in order to allow easy sharing of content on your favorite social networks. When users visits a page of our website that contains a plugin, their browser connects directly to the servers of the social network from where the plugin is loaded, and as a consequence the server can track their visit to our website and, wherever possible, associate it with their social account, in particular if they are logged in at the time of the visit or if they have recently surfed on one of the websites containing social plugins. If users does not want the social network to record the data relating to their visit on our website, they must log out of their social account and delete the cookies that the social network has installed in their browser.

The collection and use of information by these third parties are governed by the respective privacy policies which are published by the social networks:

Processing methods

The processing takes place through the use of electronic or in any case automated, informatic or telematic tools, with a logic strictly related to the purposes expressed above and with procedures suitable to guarantee the security and confidentiality of the data in accordance with the law.

Specific security measures are observed to prevent data loss, illicit or incorrect use and unauthorized access.

Consent

Obtaining consent for the use of cookies depends on the purposes for which cookies are used: in the case of "technical" cookies, consent is not required.

With the use or consultation of the website, visitors and users approve this information and consent to the processing of their personal data in relation to the methods and purposes described.

Management of cookies via browser

The user can at any time refuse the use of cookies and withdraw the consent already provided.

Since cookies are connected to the browser used, they can be disabled directly by the user in their browser.

Disabling cookies may prevent the correct use of some functions of the website itself, in particular the services provided by third parties may not be accessible, and therefore may not be viewable.

If the user blocks or deletes a cookie, it may be impossible to restore the preferences or customizations set.

Scope of data disclosure

The personal data provided by users will be processed only by Teseo S.p.A.
